

WHO ARE WE?

We are a fun loving, family focused group of Murray Grey breeders in Gippsland, committed to the continuing promotion and development of this exceptional breed through responsible breeding, sound management, showing and training. We have regular dinner meetings, field days, training days, on-farm social days and are also committed to young enthusiasts via Murray Grey Youth.

WHY DO WE LOVE MURRAY GREYS?

Because of their :

Calving ease, outstanding temperament & handling ease, maternal qualities, superior carcass qualities and feed efficiency. Also they are polled (no horns) and are feedlot preferred.

No other breed has won as many prestigious carcass competitions throughout Australia as Australia's own great Murray Grey Cattle - The Tender Breed.
