Our group meets four times each year at the Cardinia Park Hotel, where members enjoy a social dinner and a meeting about the Murray Grey Breed and the beef cattle industry. At these meetings there is a guest speaker, who will talk on a specific topic to help educate our members to be more viable and knowledgeable in the stud and commercial beef industry.

Our members also get together for an on farm Christmas meeting, with a great lunch and a short AGM and quick general meeting. In 2006, this event will be held on Sunday 26th. November, at Gary and Sandi Hatfield's, Poowong North.

Our next event is a
