

The MGBCS Welcomes Adele

After four years with the MGBCS we are sad to announce that Rose Schalk is following everyone's dream and moving to the warmer climate of the east coast. Rose will be finishing with the MGBCS on December 18th.

Rose will be replaced by Adele Potgieter in the registrar and member services role. Adele comes from a farming background in South Africa and has been working within ABRI with Dairy Express for over 2 years. Adele has a strong interest in the beef industry and will be a welcome addition to the MGBCS team.

Adele will begin her role with the MGBCS on December 1st when her training will begin. Adele will initially be working out of Diana's office while Diana is on leave from the 1st to the 18th of December and will be answering Diana's phone. As of December 21st, Adele will move into Rose's old office and take over in her role as registrar and member services officer.

Adele Potgieter

I am sure that all members of the MGBCS wish Rose the best for her future and will warmly welcome Adele into her new role with the MGBCS.
