
CONDITIONAL CARCASE COMPETITION SPONSORSHIP - 2010

The MGBCS is happy to announce an extension of the Conditional Carcase Competition for Carcase Competitions around Australia in 2010.

There has been great success in 2009, with consistent results right around Australia. So far in 2009 the MGBCS has paid out a total of \$3,000 in conditional sponsorship, with the Circular Head Show in Tasmania still to go.

Murray Greys are renowned for their high quality carcase attributes and eating quality. Murray Grey steers and heifers continue to perform in Carcase Competitions and eating quality/taste test competitions around Australia. It is hoped that the results achieved in 2009 will be compounded in 2010 and we will see even greater success for the Murray Grey breed.

To be eligible to receive the prize money that the MGBCS has up for grabs, all winning steers and or heifers must be by a registered Murray Grey bull with the details recorded at the time of entry.

The sponsorship is as follows:
