

The combined Devanah and Waroona Murray Grey Production sale held on Friday 3rd May at Central West Livestock Exchange and conducted by KMWL enjoyed a lovely day but suffered from the continuing dry conditions.

Demand was for heifer bulls and early maturing bulls, including 3 that went to Keith Belford in Queensland, with only 1 greater than frame 5 selling. This was Waroona Blitzem G54 who went to Peter Templeton to go over the 10 Blitzem and Mr Reality commercial unjoined 'G' heifers he bought from Peter and Jenny Batten for \$550. Bulls sold to a top of \$3,750 with an average of \$2,750. The top price was for Waroona Blitzem G17 who sold to Anthony Ward, Bakers Swamp. There was no bias in the demand for colour with 50% silver/grey selling.

John and Susan Pearce from Parkes purchased Devanah Gladiator G11 and Waroona Wendy E28 with a heifer calf at foot as a foundation for a new stud.

Both studs took home 6 very good bulls each and a number of females so when it rains!!!
