SILVER LINING
ELITE MURRAY GREY SALE

PREMIUM CATTLE. GENETICS YOU CAN BUILD ON.

WELCOME

On behalf of the Committee, we are pleased to welcome you to the *Second Annual Silver Lining Elite Murray Grey Sale*.

Following the success of our inaugural event, this sale once again brings together a committed group of Murray Grey breeders united by a shared focus on quality, integrity, and commercially relevant genetics.

The Silver Lining Elite Myurray Grey Sale showcases cattle carefully selected for their balance of carcass merit, temperament, maternal performance, calving ease, and adaptability across diverse production environments.

Vendors from multiple states present a curated offering that reflects both proven bloodlines and progressive breeding programs.

A consistent benchmark has been applied to all entries to ensure the sale remains true to its founding principles of quality and commercial relevance and delivers confidence to buyers.

One of the highlights of last year's sale was the pre-sale dinner held the evening prior, where attendees enjoyed Murray Grey beef featured on the Riverina Hotel's menu. It provided a relaxed and welcoming opportunity for vendors, prospective buyers, and industry representatives to connect. We sincerely thank the Riverina Hotel for their support and are delighted to invite you back to this event again in **2026**.

Notes: Vin was purchased by Dehavalyn as the calf at foot on his Dam, a standout selection from the Ayr Park herd being a large, high volume female with a very tidy udder. We considered keeping Vin, but with a large contingent of Ayr Park blooded females we have decided to present him at the Silver Linings instead. A growthy bull, free moving and clean underneath, rounding it all out with an outstanding set of EBVs.
