In the making

FOREWARD

This offering represents more than a sale. It reflects the disciplined evolution of the Ganado breeding program and the careful release of genetics I stand behind without hesitation.

For years, THE focus has been unwavering — temperament, soundness, longevity and genuine maternal strength, all anchored by structural integrity and commercial relevance. Every embryo in this catalogue is the result of deliberate selection, not volume production.

“I am not chasing volume”

This is my first sale. Each flush has been curated with the type of cattle I want in my own herd — correct, functional and maternally powerful. I am retaining a significant portion of these matings myself, which speaks to the confidence I have in their direction.

“I am retaining a significant portion of these matings myself”

The donor cows represent generations of proven performance. These are cow families that quietly do the job — consistently, predictably and with longevity.

While most lots are available within Australia, a limited number have been prepared for export. Two bulls are already eligible and positioned in the United States, marking a measured and strategic step onto the international stage.

For progressive breeders, this is an opportunity to accelerate with confidence. For established studs, it offers diversification without compromise.

Thank you for your interest and support. I look forward to seeing these genetics perform — here at home and abroad.

INTERNATIONAL *Embryo Offering*

CONTROLLED GLOBAL RELEASE

This sale marks the first stage of Ganado's measured entry into the international embryo market.

While the majority of embryo lots remain available within Australia, a carefully selected number have been prepared for export, offering international breeders direct access to foundation Ganado genetics.

"This is not a volume release — it is a foundation opportunity."

Each embryo has been chosen with a single objective - long-term breeding relevance - drawn from proven maternal families and designed for progressive ET and AI programs capable of performing on a global stage.

Numbers are intentionally restricted, with only a small portion of total production released internationally to protect genetic integrity and long-term program confidence.

Disciplined. Controlled. Long-Term Focus

Selected export embryos provide early access to exclusive Ganado Venom genetics, paired with donors I believe are well suited to North American programs, both phenotypically and genetically. These matings offer genuine outcross opportunities for the U.S. market, while maintaining the maternal strength, structure and performance focus central to the Ganado program.

Ganado Lionel semen offers international breeders immediate access to proven Australian genetics, with progeny already on the ground in Europe and the United States, and daughters now successfully calving.

International buyers wishing to participate via AuctionsPlus must contact selling agent Jenni O'Sullivan prior to the sale to arrange access.

AuctionsPlus access to bid will be provided immediately prior to the sale and will remain available for the duration for the sale only.

Buyers wishing to have an agent act on their behalf must provide written instructions to Jenni O'Sullivan prior to the sale: Jenni.O'Sullivan@elders.com.au

SALE

Process

HOW TO BUY

ONLINE BIDDING - AUCTIONSPLUS

This sale will be conducted online via AuctionsPlus, operating under a Helmsman auction format between 10am - 6pm AEST, Wednesday 14th October 2026.

All lots will remain open simultaneously for the duration of the sale, allowing buyers to bid across multiple lots at any time prior to the closing sequence.

REGISTRATION

All bidders must be registered with AuctionsPlus prior to sale commencement.

New users should allow adequate time for account setup and approval. Buyers unable to bid online may nominate a registered agent to act on their behalf.

SALE ENQUIRIES

All sale enquiries should be directed to Elders Stud Stock Agent Jenni O'Sullivan 0428 222 080 or Courtney Hazeldene 0438 083 191.

BUY WITH CONFIDENCE

HEALTH PROTOCOLS

Donor females are managed under comprehensive herd health programs. See animal health management section for more information.

All embryos are collected, handled and stored by accredited embryo transfer technicians in accordance with recognised industry standards.

EXPORT QUALIFICATION

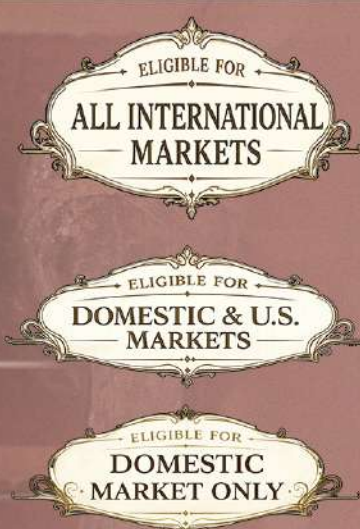

Export-qualified embryos & semen packages are identified within individual lot descriptions. Buyers should confirm importing requirements relevant to their destination country prior to purchase. This is applicable to lots 1, 5 & 9 - 14.

FERTILITY GUARANTEE

All embryos are guaranteed to be viable and correctly processed at the time of sale. This guarantee does not extend to pregnancy or a live calf outcome.

STORAGE & SHIPPING

Embryos located at Holbrook Breeders may be shipped domestically or prepared for export at the purchaser's expense, while embryos stored with Doug Watson will require freight arrangements to be coordinated directly between purchaser and vendor, with all transport costs borne by the buyer.

ONDIONG 2F C72 (PB)
DAM: ONDIONG ANNA 171ST (PB)
ONDIONG ANNA 153RD (PB)

BREEDING NOTES

GANADO ANNA 2ND IS A PROVEN BREEDER WITH A STRONG TRACK RECORD OF PRODUCING STUD-QUALITY PROGENY. WITH CALVES ALREADY SOLD INTO REGISTERED STUDS, SHE CONTINUES TO DEMONSTRATE RELIABILITY, FERTILITY AND GENUINE GENETIC VALUE.

SHE IS AN EASY-CALVING, HIGHLY MATERNAL COW WHO CONSISTENTLY MAINTAINS CONDITION WHILE DIRECTING HER ENERGY INTO RAISING STRONG, GROWTHY CALVES.

IN TYPE, ANNA 2ND OFFERS TREMENDOUS BODY VOLUME, SOFTNESS AND CAPACITY, SUPPORTED BY SOUND, FUNCTIONAL STRUCTURE. HER CALM NATURE AND BALANCED PHENOTYPE ROUND OUT A FEMALE THAT IS BOTH VISUALLY APPEALING AND HIGHLY USABLE.

A TRUE FOUNDATION-STYLE COW, SHE BRINGS DEPTH OF PEDIGREE AND THE ABILITY TO LEAVE A LASTING LEGACY WITHIN ANY PROGRESSIVE BREEDING PROGRAM.

MATING RATIONALE & EBV PREDICTOR

JOINING SIRE - GANADO VENOM

GANADO ANNA 2ND HAS BEEN FLUSHED TO **GANADO VENOM MVA24V9** TO PRODUCE STUD QUALITY PROGENY, WHILE ADDING NATURAL THICKNESS, MUSCLE EXPRESSION AND EYE APPEAL.

THE COMBINATION BRINGS TOGETHER MATERNAL EFFICIENCY, BODY CAPACITY AND SOFTNESS WITH ADDED SHAPE, POWER AND COMMERCIAL FOCUS.

PROGENY FROM THIS MATING ARE EXPECTED TO BE WELL-BALANCED, WITH EARLY GROWTH, DISPLAYING STRONG TOPLINES, NATURAL DEPTH AND GENUINE DOING ABILITY — MAKING THEM HIGHLY SUITABLE FOR BOTH STUD AND COMMERCIAL BREEDING PROGRAMS.

ANIMAL: WAROONA TAREE N20 (PB)

SHELLGARDI MISTER REALITY (TW) (AI)
DAM: WAROONA TAREE E11 (PB)
WAROONA TAREE Y19 (PB)

BREEDING NOTES

TAREE WAS SECURED AS THE EQUAL TOP-PRICED FEMALE AT THE 2021 WAROONA PRODUCTION SALE - AND SHE HAS MORE THAN VALIDATED THAT INVESTMENT. A BEAUTIFULLY BALANCED, FREE MOVING COW, SHE STANDS ON EXCELLENT FEET AND AT 9 YEARS REFLECTS BOTH STRUCTURAL INTEGRITY AND MATERNAL FUNCTION. TAREE COMBINES GENUINE BODY DEPTH AND SOFTNESS WITH STRENGTH AND CAPACITY, ALL WHILE MAINTAINING FEMININITY.

HER STANDOUT ACHIEVEMENT IS AS THE DAM OF GANADO TOO COOL MVA T16, A MULTIPLE BROAD RIBBON WINNER—SUPREME EXHIBIT (MELBOURNE ROYAL 2023), BEST BEEF BRED BULL (BENDIGO 2023), AND SUPREME EXHIBIT & TOP-PRICED BULL AT THE NATIONAL SHOW & SALE 2024 (\$11,000), ALONG WITH SENIOR CHAMPION BULL AT ADELAIDE ROYAL 2024.

THIS IS A COW THAT PRODUCES AT THE HIGHEST LEVEL.

MATING RATIONALE & EBV PREDICTOR

JOINING SIRE - GANADO TAYTO

WITH TOO COOL TRACING BACK TO **GANADO TAYTO**, SELECTING TAYTO AS THE FLUSHING SIRE IS A DELIBERATE MOVE TO REINFORCE A PROVEN GENETIC COMBINATION.

TAYTO IS A SOFT, THICK, EASY-DOING BULL WITH NATURAL MUSCLE, BALANCE AND STRUCTURAL INTEGRITY. HIS ABILITY TO ADD SHAPE, FINISH AND COMMERCIAL PERFORMANCE COMPLEMENTS TAREE'S SCALE, STRENGTH AND MATERNAL POWER, WITH CALVING EASE IN SPADES.

A PROVEN SIRE, TAYTO PRODUCED THE 2022 PREMIER SALE RECORD TOPPER GANADO R2-D2, NOW LEAVING HIS MARK THROUGH MULTIPLE BROAD RIBBON WINNERS.

EXPECT PROGENY WITH DEPTH, MUSCLE, STRUCTURE AND QUIET TEMPERAMENT—OFFERING GENUINE STUD APPEAL WITH STRONG COMMERCIAL RELEVANCE.

BREEDING NOTES

THE PLATINUM LINE NEEDS NO INTRODUCTION AT GANADO — A FAMILY SYNONYMOUS WITH QUALITY AND PERFORMANCE. HER DAM WAS SUPREME EXHIBIT AT THE ROCHESTER GREAT NORTHERN SHOW BEFORE TOPPING THE INAUGURAL SILVER LINING ELITE MURRAY GREY SALE AT \$8,000 IN 2025, WHILE HER GREAT GRAND-DAM, GANADO ELLEN, WAS A MULTI-SUPREME WINNER AND PRODUCER OF WINNERS.

PLATINUM 2ND IS A LARGER-FRAMED COW WITH EXCEPTIONAL BODY LENGTH, STRONG TOPLINE AND EXCELLENT SPRING OF RIB, STANDING ON VERY CORRECT FEET. SHE CARRIES IMPRESSIVE PELVIC WIDTH AND CAPACITY, COMBINING POWER WITH FEMININITY, REFINEMENT AND OVERALL STRUCTURAL BALANCE.

QUIET IN BOTH Paddock AND YARDS, SHE CONSISTENTLY PASSES ON HER TEMPERAMENT. A COW BREEDING BETTER THAN HERSELF, HER FIRST TWO HEIFER CALVES HAVE BOTH SOLD INTERSTATE INTO STUD HERDS IN NSW AND TASMANIA, HIGHLIGHTING THE STRENGTH AND RELIABILITY OF THIS LINE.

MATING RATIONALE & EBV PREDICTOR

JOINING SIRE - MONTEREY UNIT HOLDER

MONTEREY UNIT HOLDER GJB Z2 HAS BEEN SELECTED AS THE JOINING SIRE FOR THIS MATING TO ENHANCE MILK, INCREASE EMA AND FURTHER STRENGTHEN CARCASS MERIT.

PROGENY FROM THIS COMBINATION ARE EXPECTED TO EXHIBIT OUTSTANDING STRUCTURAL INTEGRITY, EXPLOSIVE GROWTH AND GENUINE SOFTNESS THROUGH THE CARCASS.

WITH FRAME, DEPTH AND PERFORMANCE, THIS MATING OFFERS VERSATILITY — EQUALLY SUITED TO THE SHOW RING OR PREMIUM EATING QUALITY PROGRAMS.

DAM: ONDIONG CASSIE 155TH (PB)
ONDIONG CASSIE 124TH+00 (PB)

BREEDING NOTES

ENTERING THE DONOR PEN AT 12 YEARS OF AGE WITH 10 NATURAL CALVES, J98 IS A RARE, ONCE-IN-A-GENERATION MATRON WHOSE INFLUENCE HAS SHAPED THE HERD, CONSISTENTLY PRODUCING ELITE, FERTILE AND HIGH-PERFORMING PROGENY.

DAUGHTERS INCLUDE OPAL (SUPREME EXHIBIT, MELBOURNE ROYAL), CASSIE 5TH (GRAND CHAMPION FEMALE, CANBERRA ROYAL) AND TOPAZ (TOP-PRICED FEMALE, NS&S; SCANNING 7.7 IMF), WHILE SONS INCLUDE UNDERTAKER (GRAND CHAMPION BULL, SYDNEY ROYAL) AND STORMTROOPER; SOLD FOR BREEDING.

VERY FEW COWS IN THE BREED CAN CLAIM SUCH RESULTS ACROSS MULTIPLE GENERATIONS. EVEN AS A MATURE COW, J98 DISPLAYS EXCEPTIONAL DEPTH, SOFTNESS AND MATERNAL VOLUME, WITH SOUND FEET AND STRUCTURAL CORRECTNESS UNDERPINNING HER LONGEVITY. HER UDDER REMAINS HIGHLY FUNCTIONAL, AND HER MILK EBV RANKS IN THE TOP 3% OF THE BREED.

SHE CARRIES A BROAD, STRONG TOPLINE, DEEP FLANK AND AN UNMISTAKABLE MATERNAL PRESENCE.

MATING RATIONALE & EBV PREDICTOR

JOINING SIRE - GANADO VENOM

ONDIONG CASSIE J98 HAS BEEN FLUSHED TO **GANADO VENOM MVA24V9**, A NATURALLY THICK, WELL-BALANCED BULL SELECTED TO COMPLEMENT HER PROVEN MATERNAL POWER, LONGEVITY AND PRODUCTION.

VENOM OFFERS OUTSTANDING MUSCLE EXPRESSION, STRUCTURAL CORRECTNESS AND EXCELLENT, UNTRIMMED FEET, ALL IN A MODERATE FRAME ADDING SHAPE AND COMMERCIAL APPEAL.

J98 CAN DO NO WRONG WITH WHAT SHE PRODUCES, AND I'M CONFIDENT THIS MATING WILL CONTINUE THAT TREND - PREPARE THE FRONT Paddock!

ANIMAL: WOODBOURN MISS BRILLO (PB)

MELALEUCA GHANDI G112 (PB)
DAM: WOODBOURN BRILLO L1 (PB)
BIG PARK BRILLO H10 (PB)

BREEDING NOTES

A BEAUTIFULLY BALANCED, MODERATE-FRAMED COW EXHIBITING NATURAL THICKNESS, BODY DEPTH AND TRUE FEMININITY THROUGHOUT. SHE STANDS ON A SOUND STRUCTURAL BASE WITH A STRONG TOPLINE, AMPLE LENGTH AND AN EASY, FREE-MOVING STRIDE. HER OVERALL OUTLOOK REFLECTS FUNCTIONALITY AND PRODUCTIVITY, COMPLEMENTED BY A QUIET DISPOSITION IN THE Paddock AND A FAULTLESS UDDER.

SHE HAS ALREADY PROVEN HER BREEDING MERIT, PRODUCING THE INTERBREED CHAMPION FEMALE AT HER FIRST SHOW AS A 9-MONTH-OLD HEIFER (BENDIGO), WHILE HER FIRST DAUGHTER WAS JUNIOR CHAMPION AT ROYAL HOBART SHOW AND SOLD FOR THE TOP PRICE OF \$5,750 AT THE FIRE-RO PARK DISPERSAL SALE.

MISS BRILLO RANKS IN THE TOP 2% FOR MILK AND IMF, ALONG WITH A SHORT GESTATION, REINFORCING HER MATERNAL STRENGTH AND EFFICIENCY.

COMBINING PROVEN PERFORMANCE WITH STRUCTURAL INTEGRITY AND MATERNAL POWER, SHE REPRESENTS A DEPENDABLE FOUNDATION FEMALE WITH THE CREDENTIALS TO EXCEL IN BOTH THE SHOW RING AND THE Paddock.

MATING RATIONALE & EBV PREDICTOR

JOINING SIRE - BUNDALEER PAYDAY

BUNDALEER PayDay JOS P43 HAS BEEN SELECTED TO INJECT ADDITIONAL FRAME, GROWTH AND PERFORMANCE. A PROVEN IMPACT SIRE, PayDay RANKED IN THE TOP 1% FOR 200 AND 400 DAY WEIGHT AND TOP 2% FOR 600 DAY GROWTH, DELIVERING GENUINE SCALE AND WEIGHT-FOR-AGE, BACKED BY SHORT GESTATION AND STRONG RETAIL YIELD.

WHILE MODERATE FOR MILK AND CALVING EASE, MISS BRILLO MORE THAN COMPENSATES, BALANCING THE MATING. THE AIM IS TO PRODUCE CALVES WITH ADDED FRAME, DEPTH AND MUSCLE, WHILE MAINTAINING MATERNAL STRENGTH AND STRUCTURAL CORRECTNESS — PROGENY WITH BOTH SHOW RING PRESENCE AND GENUINE COMMERCIAL PERFORMANCE.

BREEDING NOTES

A POWERFUL YET BEAUTIFULLY BALANCED FEMALE, COMBINING DEPTH, WIDTH AND FEMININITY. SHE CARRIES EXCEPTIONAL BODY CAPACITY, NATURAL THICKNESS OVER THE LOIN AND HINDQUARTER, AND STANDS ON A STRONG STRUCTURAL BASE. HER UDDER IS SUPERBLY ATTACHED, NEAT AND FUNCTIONAL — BUILT FOR LONGEVITY AND CONSISTENT MATERNAL PERFORMANCE — AND SHE IS AN ABSOLUTE PLEASURE TO HANDLE.

CHAMPION FEMALE, CANBERRA ROYAL. BY THE 2012 ROYAL ADELAIDE GRAND CHAMPION MURRAY GREY BULL, A SIRE OF MULTIPLE ROYAL & NATIONAL CHAMPIONS, INCL. ADELAIDE 2016 GRAND CHAMPION MURRAY GREY & RESERVE ALL BREEDS BULL.

SHE IS A DAUGHTER OF INTERNATIONAL DONOR CASSIE J98 AND A MATERNAL SISTER TO SUPREME EXHIBIT GANADO OPAL AND SYDNEY ROYAL CHAMPION BULL GANADO UNDERTAKER.

A PROVEN COW FAMILY THAT CONSISTENTLY DELIVERS AT THE HIGHEST LEVEL.

JOINING SIRE - MONTEREY STARLIGHT

THE MATING OF **GANADO CASSIE 5TH** TO **MONTEREY STARLIGHT GJB R39+96** COMBINES PROVEN MATERNAL STRENGTH WITH ADDED MUSCLE, SOFTNESS AND PERFORMANCE.

STARLIGHT'S EASY-DOING NATURE AND SIRE PRESENCE MAKE HIM AN IDEAL COMPLEMENT TO CASSIE'S STRENGTH AND MATERNAL POWER.

EXPECT PROGENY WITH GENUINE WEIGHT-FOR-AGE, ADDED HINDQUARTER EXPRESSION, STRUCTURAL CORRECTNESS AND BROOD COW QUALITY — PRACTICAL CATTLE WITH THE TYPE AND DOING ABILITY TO EARN THEIR PLACE.

GANADO QUEEN COACHELLA Q11 X ROBERN MR MUSCLE

JOINING SIRE - ROBERN MR MUSCLE

ROBERN MR MUSCLE IS A HIGHLY DECORATED SIRE, RENOWNED AS A TRAIT LEADER FOR MILK AND SCROTAL SIZE, WITH NEARLY 600 REGISTERED CALVES ACROSS MORE THAN 50 HERDS.

A NATIONAL CHAMPION BULL AT JUST 23 MONTHS (82 ENTRIES), HE COMBINED SHOW RING DOMINANCE WITH GENUINE PERFORMANCE.

HE CONSISTENTLY STAMPS STRONG MATERNAL TRAITS INTO HIS DAUGHTERS, WHILE ADDING STRENGTH, SUBSTANCE AND MASCULINITY TO HIS SONS, WITH A LEGACY OF STRUCTURAL CORRECTNESS, BALANCE AND BREED CHARACTER.

FROM THIS MATING, EXPECT SMOOTH-MADE, STRUCTURALLY SOUND CALVES WITH STRENGTH THROUGH THE TOPLINE AND QUALITY UP FRONT.

SHOW RING APPEAL OR PADDOCK PERFORMANCE.

BREEDING NOTES

QUEEN COACHELLA Q11 IS A POWERFUL, DONOR-QUALITY FEMALE COMBINING SCALE, SUBSTANCE AND PROVEN PRODUCTION. SHE OFFERS EXCEPTIONAL LENGTH, DEPTH OF RIB AND NATURAL SOFTNESS, CARRYING STRONG VOLUME WHILE MAINTAINING FEMININITY AND BALANCE, ALL ON A SOUND STRUCTURAL BASE.

HER UDDER IS A STANDOUT — BEAUTIFULLY ATTACHED, WELL-BALANCED AND HIGHLY FUNCTIONAL — AND A TRAIT SHE RELIABLY PASSES ON.

Q11 HAS IMPRESSED FROM A YOUNG AGE, DEVELOPING INTO A HIGH-PERFORMANCE BROOD COW WITH GENUINE PRESENCE. HER PRODUCTION RECORD INCLUDES A JUNIOR CHAMPION FEMALE & RESERVE SENIOR CHAMPION AT MELBOURNE ROYAL, A SON SOLD FOR STUD USE, AND A RUN OF TOP-END CALVES NOTED FOR SOFTNESS, WEIGHT-FOR-AGE AND STRUCTURAL CORRECTNESS.

A SUCCESSFUL SHOW FEMALE IN HER OWN RIGHT, Q11 NOW STANDS AS THE COMPLETE MATERNAL PACKAGE.

BULL NOTES & PROGRAM DEPTH

A PROVEN, HIGH-PERFORMING SIRE WITH GENUINE SHOWRING CREDENTIALS, LIONEL WAS AWARDED SUPREME EXHIBIT AT THE ROYAL MELBOURNE SHOW, GEELONG ROYAL AND BENDIGO MURRAY GREY FEATURE SHOWS IN 2017.

HE COMBINES OUTSTANDING CAPACITY, SPRING OF RIB, RUMP SHAPE, STRUCTURE, MUSCLING AND FAT COVER, WITH THE ABILITY TO HOLD CONDITION THROUGH TOUGH SEASONAL CONDITIONS. LIONEL IS THE TYPE OF BULL THAT CAN ADD VALUABLE KILOGRAMS INTO A CALF CROP.

SUITABLE FOR BOTH STUD AND COMMERCIAL PROGRAMS, LIONEL IS BEST RECOMMENDED FOR USE OVER COWS IN PUREBRED AND CROSSBREEDING OPERATIONS. HE WORKED SOUNDLY FOR MANY YEARS AND HAS PROVEN HIMSELF AS A RELIABLE BREEDING SIRE, WITH PROGENY RESULTS NOW EXTENDING INTERNATIONALLY.

LIONEL HAS PRODUCED ET CALVES IN DENMARK, AI CALVES IN THE UNITED STATES — INCLUDING A CHAMPION BULL AT THE AMGA JUNIOR NATIONALS — AND AI CALVES IN AUSTRALIA, INCLUDING THE CHAMPION MURRAY GREY EXHIBIT AT EUROA CATTLE SHOW 2021. SEMEN PACKAGES HAVE BEEN STRUCTURED TO GIVE INTERNATIONAL BUYERS FLEXIBILITY, WITH THE OPTION TO PURCHASE SMALLER INDIVIDUAL LOTS OR COMBINE MULTIPLE LOTS FOR A MORE COST-EFFECTIVE SHIPMENT.

BULL NOTES & PROGRAM DEPTH

A WELL-BRED PROVEN, HIGHLY CREDENTIALLED SIRE COMBINING SHOW-RING SUCCESS, STRUCTURAL QUALITY AND REAL-WORLD PERFORMANCE.

SUPREME EXHIBIT AT THE 2019 ROYAL MELBOURNE SHOW, THIS BULL IMPRESSED FROM A YOUNG AGE WITH HIS SUPERB FEET AND LEGS, GROWTH FOR AGE AND OVERALL BALANCE, SELLING TO STUD AT JUST 15 MONTHS. HE HAS SINCE GONE ON TO PROVE HIMSELF AS A RELIABLE BREEDING SIRE, RECORDING STRONG CALVING EASE ACROSS BOTH COWS AND HEIFERS.

REGISTERED WITH MGBCS & MGABA, HIS PROGENY WON SIRES PROGENY GROUP AT MELBOURNE ROYAL 2023. A PATERNAL SISTER WAS ALSO NAMED SUPREME MURRAY GREY EXHIBIT AT MELBOURNE ROYAL 2022.

BULL NOTES & PROGRAM DEPTH

AN EXCLUSIVE OPPORTUNITY TO SECURE THE LAST OF TAYTO'S GENETICS, WITH FEWER THAN 50 STRAWS REMAINING.

A LOW BIRTHWEIGHT, FAST-GROWING SIRE, TAYTO OFFERS THE COMPLETE PACKAGE - PEDIGREE, STRUCTURE, DOING ABILITY AND GENUINE CARCASE MERIT. HE COMBINES EXCELLENT FEET, A TIGHT SHEATH, NATURAL MUSCLING AND SUBSTANCE, WHILE CONSISTENTLY STAMPING HIS PROGENY WITH HIS FAULTLESS TEMPERAMENT.

HIS RECORD SPEAKS FOR ITSELF. TAYTO Sired the \$13,500 TOP-PRICED BULL AT THE 2022 PREMIER SALE, PLUS THE JUNIOR CHAMPION FEMALE AT MELBOURNE ROYAL 2022, AND INTERBREED JUNIOR CHAMPION FEMALES AT SWAN HILL AND AgFest TASMANIA 2022. HIS INFLUENCE HAS CONTINUED AS GRANDSIRE OF THE JUNIOR CHAMPION FEMALE, JUNIOR CHAMPION BULL AND SUPREME EXHIBIT AT MELBOURNE ROYAL 2023, ALONG WITH INTERBREED JUNIOR CHAMPION FEMALE AND SUPREME EXHIBIT AT SWAN HILL SHOW 2023.

ANIMAL HEALTH

Management

All sale animals are registered with the Murray Grey Beef Cattle Society and have been selected with reference to the breed's standards for excellence, with emphasis on soundness, structural correctness, fertility, temperament, breed character and overall functionality.

The herd is managed under a structured animal health program, including routine drenching, vaccination and mineral supplementation. Individual treatment records are maintained, including recent drenches, vaccinations and bolus administration.

The property operates under a JBAS 6 biosecurity plan, reflecting a commitment to responsible cattle management, disease prevention and ongoing herd health.

Genetic condition testing and DNA verification is recorded and disclosed in line with Society requirements and responsible breeding practice. An outline of testing results for all lots can be found below. Further health and treatment details are available to prospective purchasers on request.
