Notes: Glanmire Murray Greys is very proud to offer ONWARD ANNA R53 is a credit to our herd, she is a beautifully bred, feminine Murray Grey female with the softness, depth and maternal strength the breed is renowned for. Sired by the proven DANGARRA KENO and out of the productive ONWARD ANNA F6 cow family, she offers genetics that have consistently produced quality, functional cattle. A medium-framed silver female, R53 displays excellent body capacity, natural thickness and a tidy udder, making her an ideal breeding female. Currently joining to Monterey Ultimate U37 (GJB U37), one of the top-priced Murray Grey bulls from the 2025 Monterey Production Sale, offering buyers the exciting prospect of a calf backed by elite, proven genetics. R53 would be a valuable addition to any stud or commercial breeding program, whether you're looking to strengthen maternal genetics, produce quality replacement females, or breed quiet, easy-doing cattle with excellent carcass traits. Onward Anna presents an outstanding opportunity to add elite genetics to any breeding program.

Notes: A genuine front paddock offering and the first opportunity to secure a female from the tightly held and highly regarded Queen Coachella line. W3 is a structurally correct, lovely fronted, long female with genuine program depth and pedigree packed with quality genetics. Sired by the Supreme Exhibit at the 2024 Royal Canberra Show. Her dam was Junior Champion Female at Melbourne Royal 2024, a multiple interbreed champion as a heifer, and Reserve Senior Champion Cow at Melbourne Royal 2025, with W3 standing alongside her as calf at foot. The Queen Coachella line is noted for excellent udders and milk in practice, despite what the EBV may suggest. W3's granddam is a highly regarded donor cow and features in the 2026 Crown Collection Online Genetics Sale. W3 has been deliberately kept open and is ready to join to the bull of your choice. Pesti tested negative. Halter trained. Vaccinated 7 in. Mineral treated.

2026 Cratloe Murray Grey Youth Stock Show

On behalf of the 2026 MGY Committee we would like to formally thank a few members. Charles & Janet Wallace of Woodbourn for their kind donation of a heifer in the youths name, earlier this year at their on property sale.

Prior to dispersing, Ian & Anne Burnside of Cratloe, for their kind donation of naming rights sponsor for last years MGY Stock Show, that has carried over to this years MGY Stock Show. Mary Burnside, for her kind donation of being a platinum sponsor, in hope to shape and guide the future of the breed. A massive appreciation towards everyone who has come on board for sponsorship so far.

Planning to head down to this year's MGY Stock Show? Please look forward to the following:

- Twilight Premier Sale followed by a BBQ dinner
- Educational Lectors (hands on tattooing, hands on clipping, marketing strategies by AuctionsPlus, MSA by Greenhams & many more)
- Pizza & games night (Thursday 8th October)

	Birth Wt	Milk	200-Day Wt.	400-Day Wt.	600-Day Wt.	Scrotal Size	Rump Fat	EMA
EBV Acc	+5.0 70%	+8 39%	+32 64%	+55 60%	+68 60%	+0.9 49%	-0.1 46%	+2.3 38%

Notes: Cloverside Vice Regal Vance (V22) is a silver, moderate-framed Murray Grey bull, born unassisted at just 38 kg, combining calving ease with excellent growth and doing ability. He will be 23 months of age on sale day. Vance is Myostatin NT821 non-carrying, sire verified, 7in1, Pestiguard & multimin and will be semen tested prior to sale day, giving buyers added confidence. Sired by Woodbourn Rufus and backed by the proven Zephr female line, Vance offers generations of quality and consistency. The Zephr family has an outstanding show record, consistently producing structurally sound, functional cattle with exceptional phenotype. Vance is a traditional-type Murray Grey with excellent structure, strong, sound feet, and a quiet, easy-doing nature. He carries natural thickness and muscle while maintaining smoothness and balance throughout. We believe he will add muscle, structural soundness, and doing ability to a wide variety of breeding programs, making him an ideal sire for both commercial and stud operations. Transport can be arranged as far as Melbourne, subject to sale arrangements.
