ALL PROFIT FROM THE 2019 MURRAY GREY YOUTH CALENDAR WILL BE GOING TO DROUGHT ANGELS

Drought Angels provides a unique service for which it has become well known for within the rural sector. Drought Angels is a small charity run by big hearts, who offer a listening ear, a warm hug and personalised support given to each family. Through direct personal contact with the farmers, Drought Angels has earned a reputation for providing personalised, heartfelt and discreet assistance. We help those who would not normally reach out but prefer to battle it alone, which can lead to severe depression and in some cases suicide. One-on-one support aids in 'breaking down the barriers' of a proud demographic who quite often have never received a hand up. They can be the first generation of many who have to contemplate walking off the land and selling blood lines which have taken years to build up.

These are the people of most concern and often forgotten.
